## DESCRIPTION

Chemical-free cleaning is the safest way to clean your home, keep your family safe and protect our fragile environment.

The T630 has been designed from the ground up to deliver superior quality dry steam, and provide the best possible user experience. It will clean the toughest cleaning chores with its powerful 1780W heating system.

Reliable™ understands that the quality of a steam cleaner is only as good (no matter how nice it looks) as what is inside it. This is why we use the best components available including a 18/10 gauge stainless steel tank.

Your T630 comes with a 11 piece accessory kit that will allow you to take care of your entire house - we don't skimp on features so you get the maximum benefit from your investment.
